

Matthew Jones

A highly experienced project development and relationship manager, Matthew has a detailed working knowledge and understanding of funding packages and project appraisals, following 10 years experience in European and domestic funding streams.

Matthew worked as the ERDF Objective 2 Facilitator for Great Yarmouth between 2001 and 2005, helping to develop projects as diverse as community development workers and training initiatives to town centre regeneration schemes and the Great Yarmouth Outer Harbour. Matthew spent 5 years working at EEDA, covering Norfolk and Suffolk, again developing a range of capital projects and working closely with Urban Regeneration Companies and major funding partners.

Matthew has also assisted in the development and delivery of area and thematic-based seminars across the region, designed to raise awareness and understanding and increase the take-up of EU Funds in the East of England
