

## Services

EU Connects provides a range of bespoke services for individual local authorities, voluntary sector bodies and Local Enterprise Partnerships, to improve access to and take up of EU funds in the East of England. These include:

- Detailed information on specific programmes;
- One to one advice;
- Coaching;
- Mentoring;
- Support from a secondee; and
- Help with building partnerships.

Please note that we are not resourced to take on the writing of bids.

Contact the EU Connects Associate responsible for the relevant EU programme or geographical contact to arrange a meeting or discussion:
