

Public-Private Collaboration on Climate Change

4th March 2022

Working together in London and the
Wider South East Forum

Kezia Williamson

Head of Place, Innovate UK KTN

www.ktn-uk.org

Innovate
UK

Innovate UK KTN exists to connect **innovators** with new **partners** and new **opportunities** beyond their existing thinking - accelerating ambitious ideas into **real-world solutions**.

Innovate
UK

ktn

Place at Innovate UK KTN

INSPIRE by showcasing innovation excellence from across the UK

INVOLVE and connect places together to meet UK aspirations such as Net Zero and Levelling UP

INVEST by informing government levers for place and support national decision making in areas like funding and procurement

Innovate
UK

Net Zero Regions Pilot

Focused on East of England

Collaboration between Innovate UK, Innovate UK KTN, and East of England Local Government Association (EELGA)

To engage local authorities and business across the East of England region to provide innovative input to meeting net zero carbon targets.

The partnership

EELGA

Bringing local authorities together and engaging them in the process

Trusted voice

Links to associated activity such as Climate Forum

Innovate UK
